Lark (3 Book Series) Erica Cope

From Book 1: The last time she checked, Mia Carrington was pretty sure that she was a normal girl with a completely ordinary life.

She goes to high school, has a crush on the gorgeous and mysterious new boy in town, and has strange dreams that she can't help but feel are real somehow.

Okay, so maybe she's not all that normal after all.

A freak accident changes Mia's life forever when she is thrown into another world and left to deal with the revelation that she is the daughter of the King of the Light Elves. Throw in an ominous prophecy predicting that Mia will break a curse unleashing the Dark Elves on the world and well, things don't look too good.

There is danger lurking at every corner in this strange world and Mia isn't sure who she can trust... The only thing she is certain of is that the Dark Elves know about her, and they will stop at nothing until they have her.
