Love Lines James Brinkley

An Ode to my Queens... What this whole book is about is the written expression of love from a man to a woman. It is intended to give ladies the words to cuddle up to and a reason to believe that even if they haven't found that Mr. Right, he is out there. It is also intended to give men a reason to tell their ladies that they love them without feeling like they're being soft. Love Line is several individual stories of love, so if you are reading it to bask in the beauty of the poetry or gifting it to your own Queen, there is something for everyone who truly believes in the power of love!
