When it comes to investing, anyone can succeed. Here is an invaluable guide not only for the novice investor but for all those who want to attain financial security and don't have the time to work at it. Successful Investing Made Easy will show you -

- How to profit from investment letters
- How to make the most out of expert advice
- How to buy and sell stocks
- How to make profits and minimize losses
- Why options and futures should be avoided
- Why to favor ETFs and closed-end funds over mutual funds
- Why not to use financial advisors, and how to choose a broker
- How to identify "sucker letters"
- What not to do-how to recognize all the "very bad advice" you receive

"I am fairly intelligent but I am an outsider with regard to Wall Street. I am the quintessential amateur who has found a way to grow my capital and protect it from the investment "professionals"-and I have done fairly well. I am happy to share my methods with you." - Jacob I. Haft, M.D.
