Gathered for the Journey: Moral Theology in Catholic Perspective

Gathered for the Journey: Moral Theology in Catholic Perspective

"Gathered for the Journey" sets moral reasoning in a theological context of worship and discipleship (parta1), provides a framework for the moral life based on questions of human fulfillment (parta2), and demonstrates how these theological resources shape a distinctive approach to questions of globalization, Catholic social teaching, the family, war and peace, bioethics, and the environment (parta3).

McCarthy and Lysaught have crafted a distinctively unified collection. "Gathered for the Journey" represents a common project among Catholic scholars who are struggling with similar questions about living faithfully.
