A great way for travelers to keep their minds from wandering!

There's nothing better than a doodle to while away the time when you're stuck in a traffic jam, standing in line to get through airport security, or sitting bored in a train, plane, or bus. All the drawings are partially done to get you started: count the cars and decorate them, play family buzz-word bingo, fill in charts about the people sitting next to you, sketch what's *really* going on in the waiting room, and more. Packed with great gags specifically tailored to the road, it turns any trip into a fun journey.
