## **Fantastic: The Life of Arnold Schwarzenegger** Laurence Leamer

The life of Arnold Schwarzenegger is one of the most remarkable success stories in the U.S. Here is a young man from an Austrian village who became the greatest bodybuilder in history, a behemoth who even today in retirement is the dominating figure in the sport. Here is an immigrant with a heavy accent and a four syllable last name, who marries a Kennedy princess and becomes the number one movie star in the world, an icon known and celebrated everywhere. Here is a political novice with no administrative experience who becomes governor of California in one of the most unusual and controversial elections in American history, and confounds his critics by proving an effective, popular leader.

Leamer shows how and why this man of willful ambition and limitless drive achieved his unprecedented accomplishments. As the author of a celebrated trilogy on the Kennedy family, Leamer has access to a unique array of sources. Leamer traveled with candidate Schwarzenegger during the gubernatorial campaign. He has interviewed Governor Schwarzenegger and his wife Maria Shriver, and their closest friends and associates, most of whom had never talked to an author before. The result is a startlingly intimate book, the pages studded with news making revelations. This book of passionate intensity captures a Schwarzenegger unlike any other public figure of our time, a unique political/cultural figure, his time in Sacramento only a way station on a journey where no one has traveled before. The book captures the personal Schwarzenegger, too, and the story of his single days, marriage, and family life. No one who reads this book will ever see Schwarzenegger in the same way again.
