History of the Town of Franklin, Mass: From Its Settlement to the Completion of Its First Century, 2d March, 1878; Genealogical Notices of Its ... and a Report of the Centennial Celebration Mortimer Blake

Excerpt from History of the Town of Franklin, Mass: From Its Settlement to the Completion of Its First Century, 2d March, 1878; Genealogical Notices of Its Earliest Families, Sketches of Its Professional Men, and a Report of the Centennial Celebration

At the annual town meeting held in March, A.D. 1876, a report was presented by a committee previously chosen by the town, consisting of Messrs. Waldo Daniels, Stephen W. Richardson, William M. Thayer, William Rockwood, and Adin D. Sargent, to whom was referred the subject of the celebration of the one hundredth anniversary of the incorporation of the town.

Among the recommendations embodied in this report was the following: -

"That a history of the town be prepared and published, in which the important events of its early settlement and the succeeding municipal transactions shall be recorded - including also, so far as practicable, its interest in and the part sustained by its citizens in the Revolutionary War, the War of 1812, and the late Rebellion; also its ecclesiastical and educational work, the growth and development of our manufacturing interests, and of all that pertains to its prosperity as a township."

The report was accepted and the committee were authorized by the town to carry out the plan presented.

The committee were unanimous in their choice of historian - Rev. Mortimer Blake, D.D., of Taunton, Mass. His marked ability and well-known antiquarian researches, especially connected with the early history of Franklin, abundantly qualified him for this important work.

Dr. Blake with some reluctance entered upon the task, which he would not have undertaken for any town but his own.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
