Virginia Berry:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore
