Energize an introductory ethics course with ETHICS IN THE WORKPLACE 3e, a text that combines a strong foundation in classic and contemporary theory, examples and analysis drawn from the workplace, ethical decision-making models, and a constant focus on self-reflection and moral reasoning. Learning becomes interactive with this completely revised edition that urges users to examine ethical situations in the workplace through the lens of ethical decision-making models. ETHICS IN THE WORKPLACE 3e bridges the gap between theory and reality by focusing on ethics in the workplace and offering real-world examples of ethical situations workers face.
