Sleepy Dog

Sleepy Dog

Irresistible photographs of comfortably dozing dogs and puppies, plus the simplest possible text, will lull little ones into sweet dreams. Each page of these sturdy board books has only one word, and every word - from yawn to pillow relates to sleep. There is a natural progression too, as the animals go from being tired to getting tucked in, to settle down to sleep and dreaming: - Drowsy - Yawn - Bed - Nestle - Cozy - Nap - Dream - Of course, there is nothing more adorable than a drowsy yawning pet. Children will never tire of looking at a dog peeping from under a blanket or a tiny puppy curled cosily in a basket. * A book to assist in the process of bedtime for 1 to 3 year olds. This is sure to make every toddler want to say "good night". * Curl up with your child and this wonderful little book of dogs that yawn, nestle and snuggle their way into nap time. Sweet dreams!
