Demon Hit List John Eckhardt

Author John Eckhardt has gone yet another step further in equipping the saints to defeat the powers of darkness in his Deliverance Thesaurus: Demon Hit List. Since identifying and uncovering demons by name is so important in deliverance, the idea to write a thesaurus is well overdue. Some argue that we don't need to know the specific names of demons, but names are what we use to identify. There is power in identification. The more believers can identify the enemy by name, the more successful they will be in driving the enemy out. The names found in this thesaurus are all subject to the name of Jesus. Thank God for the name of JESUS, THE NAME ABOVE EVERY NAME!
