\*\*\*Formerly DESTINY OF COINS\*\*\*

In this third installment of The Judas Chronicles, William Barrow (AKA Judas Iscariot) is faced with recovering the silver coin he dreads above all others. Known as the “Singing Coin” among the ancients, this shekel was originally lost long ago...on the very night of Jesus Christ’s arrest in Jerusalem. Hoping to save it for last, until after the other twenty-nine coins are recovered, Viktor Kaslow’s recent designs for the coin thwart William’s plan.

A new murder spree has begun for the ruthless Kaslow, who races against William and the immortal Roderick Cooley to obtain the coin from a reclusive Essene sect residing in the Bolivian Andes. But unlike William and Kaslow’s previous confrontations, this one involves many more outside interests, since this coin contains unusual properties. If it falls into the wrong hands, the entire world will be brought to its trembling knees....

The stakes have never been higher for William, his family, and the welfare of mankind. To stop Kaslow, William must rely on the help of Roderick, Alistair, and a host of others—both mortal and immortal—to have any hope of reclaiming blood coin number twenty-four before time runs out.

Acclaim for the novels of Aiden James:

"The intense writing style of Aiden James kept my eyes glued to the story and the pages seemed to fly by at warp speed. ...Twists, turns, and surprises pop up at random times to keep the reader off balance. It all blends together to create one of the best stories I have read all year."

--Detra Fitch, Huntress Reviews for "The Devil's Paradise"

"Aiden James has written a deeply psychological, gripping tale that keeps the readers hooked from page one."

--Bookfinds review for "The Forgotten Eden"

"Aiden James writing style flows very easily and I found that "Cades Cove" snowballed into a very gripping tale. Clearly the strengths in the piece were as the spirit's interaction became prevalent with the family... The Indian lore and ceremonies and the flashbacks to Allie Mae's (earthly) demise were very powerful. I think those aspects separated the work from what we've seen before in horror and ghost tales."

--Evelyn Klebert, author of "A Ghost of a Chance" and "Dragonflies"

"Aiden James has a keen eye for detail and an uncanny knack for scaring the hell out of me. We are watching a master at work. "The Raven Mocker" is a nearly perfect thriller. Ghost stories don't get any better than this."

--J.R. Rain, Bestselling author of the "Vampire for Hire" series

"As with the previous titles I have read by this author, I found the author's writing style to be silky smooth and the main plot line to be extremely creative. The fertile imagination of Aiden James definitely knows what today's readers want to see in their stories."

--Detra Fitch, Huntress Reviews for "The Vampires' Last Lover"
