The pitfalls of involuntary guardianship can cost you: your civil rights, your life savings, your right to live where and how you wish, yours or your children's inheritance and your familial relationships. You will learn: how to prepare yourself from becoming a target, the tricks, manipulations and strategies used to prematurely institutionalize, and how to help change and improve probate court involuntary guardianship laws. The article, "Rampant Elder Abuse and Fraud in Adult Guardianship" quoted Money Magazine, "Guardianship is all about money . . . the laws (that every state in the nation has passed to control the conduction of a guardianship) are universally ignored . . . if you or a well meaning relative try to fight this system, the court allows the guardian to use your money (the ward's money) to fight you (the ward)".
