In the summer of 1986 Cathryn Lewis felt that something was missing from her life. What was it? A romantic relationship and eventually, companionship! Although involved in church ministries she was not satisfied.

What must she do? Was it her fault? She thought to herself “I did not take up offers that were presented to me; but some men can be cruel, unfaithful and abusive. The honest, kind and caring ones seem to be all taken!” She wrestled with this new feeling and sought God’s answers.

Along came Matt. Through a series of orchestrated events including an accident, and hospitalizations where “I will marry you even if you come out in a wheel chair” was whispered, Cathryn was convinced that their meeting was “Not by Chance”.

This is the first in the series of novella 'God answers prayer'.
