Should you outline your novel?

In most cases, the answer is yes, but only if you know how to do it properly. It's not enough just to know how to outline, you have to know how to create a commercially successful story in the shortest possible time.

Author Jim Driver spent months taking seminars with famous authors like James Patterson, and reading almost every book on novel planning, outlining, and plotting ever written (slight exaggeration)! He's worked out a simple new way of outlining that makes the process of story writing simple and practically foolproof.

His outlining techniques work in every genre and can help you outline and write a commercially successful novel or screenplay in less time than you thought possible. Story engineering has never been so simple.

Don't settle for just writing a novel or screenplay. Discover how to outline properly and aspire to write the best commercial fiction you can.

Can you afford to leave it to chance? Click the 'Look Inside' tab above to get started.
