If there's one thing Aya Morrison knows, it's how to knock someone dead with her voice. Alongside her brother, she is forced to be reckoned with. But when tragedy strikes, Aya's voice is but a whisper.

As time passes, she manages to piece back her life. And who better to help her than the good-looking boy next door. When fate - or a little boy named Mikey - throw them together, Aya's life starts to look up. That is, until the evil step-sister gets her claws into him.

But still Aya forges ahead. Leaping over every obstacle in her way. But what happens when past scars start to bleed?
