For more than 200 years, U.S. Army Rangers have earned their unrivaled reputation as the world's premier warriors with bravery, blood, and sacrifice. Being a Ranger is a function of attitude and a state of mind, as well as a matter of skills and training, and it is the mission of the U.S. Army Ranger School to meld and to fortify these attributes. Ranger School is a journey that must be taken one day at a time...and each day of that journey is captured in this book. It is the cumulative effect of each of those days, the arduous work, the deprivation, the misery, that leads to what is ultimately called "the Ranger School experience."
