Are You Rapture Ready?: Signs, Prophecies, Warnings, and Suspicions that the Endtime Is Now Todd Strandberg, Terry James

In this essential handbook based on the phenomenally popular Web site, two leading authorities on the prophesied Rapture tell readers how to get ready for the last days on earth.

Where will you be when the great disappearance comes?

In the last few years, the term "Rapture" has become an integral part of our national consciousness, fascinating everyone from businessmen and political leaders to media personalities and cultural icons to true believers. Now a noted writer on prophecy, together with the creator of RaptureReady.com (with over 300,000 visitors a month), share invaluable advice on how to prepare for a future that might strike at any moment.

The analyses, insights, and predictions contained in this indispensable self-help guide date back to the foretelling that began with Nostradamus and the cautionary teachings of the Bible. Framing these prophecies around recent world issues and events, the authors share revelations that include:

- * What Rapture is-and how it will greatly impact your life
 - * How to read the "Rapture Meter"
 - * Why it's so important for everybody to look busy when Jesus arrives
 - * The true nature of the "666 Beast"
- ...and much more

This is the book that powerfully links prophetic facts found in the Bible to the fictional accounts presented in the amazingly popular "Left Behind" novels.
