The nine vignettes of *The Good Doctor* are linked by the narration of *The Writer* himself, who offers wise and droll comment on the characters he has created. The sketches present a most appealing balance of hilarious and poignant moments. For instance... "Surgery" -in which a painful toothache becomes a laughing matter, as a sexton is pitted against a clumsy dental student. "The Seducer"-in which an expert in the art of seduction invites us to observe his long-distance method of wooing a married woman by using her unsuspecting husband to relay amorous messages. "The Arrangement"-in which a father decides upon an educational gift for his naive son's nineteenth birthday: a visit to a brothel. "The Sneeze"-in which an insecure government clerk has the misfortune to sneeze on the bald head of his bureau chief-the consequences of the splattering are shattering.
