LOVE, WISDOM AND GOD: The Longing of the Western Soul Andrew Cort

Morality, as secularists know, does not require a deity. Blind faith, as atheists know, often leads to hatred and violence. Taking myth and scripture as literal history, as scientists know, borders on the nonsensical. If religion is to be credible for modern sophisticated people, there has to be more. And there is!

In LOVE, WISDOM, AND GOD, Andrew Cort demonstrates that in their deepest and most important sense, myths are internal psychological stories. They weave the tale of a soul - your soul - that has descended into material life and must now do the necessary inner work to return 'home'.

The book includes astonishing new interpretations and insights into the legends of Greek Mythology, Adam & Eve, and the Eleusinian Mysteries of ancient Greece.?
