Radical Doubt Avery Chenoweth

The summer of 1975, Charlie Bell leaves home with his best friend, Sean Bradon, bound for a journey of self-discovery from New Jersey to Mexico. With their first year of college behind them, and dreams of Kerouac and Castaneda to inspire them, the two veer off from their plans to blindly follow a tip to make spending money, and end up working as bus boys at a posh Poconos resort. Once in the fabulous resort, their naivety takes them into the underworld of a tough kitchen staff with psychopaths and criminals, while Charlie's romantic pursuit of a housemaid keeps him there but off-balance. Her brief but unexplained disappearance one romantic night guides him deeper into a labyrinth of organized crime that he never knew existed, where he must come face to face with the nature of moral insanity and his own radical doubts about life, love, and revenge.
