Timeless Vietnam Canh Tang

In this book you will find a new perspective on Vietnam as a place unaffected by strife and undiminished by modernism. The enduring acts of farming, fishing, trades and culture of this remarkable land come alive through its pages, providing insight into the core of the nation and the values of its people.

Timeless Vietnam, Canh Tang's first book of photography, is a dazzling glimpse of an ancient culture that persists today much as it has for thousands of years. The motion and energy of life emanate from each shot. Colors interplay with form in photos of the silhouettes of fishermen on the shore against a pulsating sunrise. Detail meets simplicity in shots of skilled artisans chiseling intricate sculptures.

Complementing these extraordinary photos are translations of historic Vietnamese poetry that contextualize a land that has resisted imperial domination for thousands of years, forever retaining its unique character. The resilience and beauty of Vietnam and its peoples radiate through memory and serve as a testimony to what will survive.
