“The author of this book really knows her stuff. The writing is sharp, well-articulated and brainy. I've read a dozen how-to sex books and have used some of what I've learned from them, but I must say this book stands alone in its authenticity. Five stars.” - C.N.

“This is one of those exceptional reviews where I would endorse this volume as essential reading. With a mystical perspective to sexuality, Belletrix outlines an approach to attaining body mind awareness without getting new-agey. She takes a focused look at the value of internal rhythms and provides exercises that the reader can use to get in touch with them. What’s refreshing is how she combines that awareness with concrete strategies to redefine and raise the bar for what is without question a virtuoso blowjob.” - S.C.
