*We both joined The Club and made an arrangement. I got the money to pay my mortgage and he got access to my body, whenever and however he wanted it...*

SAPPHIRE BEAUTIFUL is a full-length, stand-alone novel in THE CLUB series.

I never imagined that I'd be starting my fifth year as a faculty member in the Medieval Studies department as a thirty-two-year-old widow. I'm sure to be the butt of every joke around campus as the collateral damage of a sex scandal that made national headlines. And my husband left me completely broke after he killed himself.

I don't want to lose my house and all the money I invested in it so I make an arrangement through The Club. I'll get what I need...money to get out of the financial ruins my dead husband left me in. And Dante McNally will get what he wants...access to my body...whenever and however he wants it...

There's only one catch. Dante is one of our new graduate students and the recipient of a prestigious research fellowship funded by his billionaire father. And this is the year I'm supposed to be applying for tenure.

Each novel in Ren Monterrey's The Club series can be read as a stand-alone or as part of the series. The Club series includes:

Black Dog Nights (three-part serial novel)

Sapphire Beautiful (stand-alone full-length novel)

Mad Dog Days (three-part serial novel)

Gold Dust Woman (stand-alone full-length novel)

Yellow Dog Blues (two-part serial novel)

Grey Cloudy Lies (stand-alone full-length novel)
