No matter how skilled you are, how experienced, how many years you've been in business, or how much you love what you do, if you do not have a commanding presence on every platform, you will continue to struggle, continue to be underpaid and under-recognized, and continue to labor to attract recognition. The ability to speak and communicate with confidence and charisma is the single, critical factor that eliminates each of those obstacles more quickly than anything else. • Instead of having to find your public, the public finds you. • You no longer have to seek partners, you choose the ones you want to work with. • Most important, you no longer have to beg people to work with you, they beg you to work with them. Best of all, you attract raving fans who will gladly pay you what you're worth. Speakrets® is all about that, and more. Ruth Sherman is a strategic communications consultant who works with corporate leaders and international public figures. Her clients hail from the A-List of international business and Hollywood. Three clients have won Oscars and one the Pulitzer Prize.
