The Forgotten Garden: A Novel Kate Morton

From the internationally bestselling author of *The House at Riverton*, an unforgettable new novel that transports the reader from the back alleys of poverty of pre-World War I London to the shores of colonial Australia where so many made a fresh start, and back to the windswept coast of Cornwall, England, past and present

A tiny girl is abandoned on a ship headed for Australia in 1913. She arrives completely alone with nothing but a small suitcase containing a few clothes and a single book -- a beautiful volume of fairy tales. She is taken in by the dockmaster and his wife and raised as their own. On her twenty-first birthday they tell her the truth, and with her sense of self shattered and with very little to go on, "Nell" sets out on a journey to England to try to trace her story, to find her real identity. Her quest leads her to Blackhurst Manor on the Cornish coast and the secrets of the doomed Mountrachet family. But it is not until her granddaughter, Cassandra, takes up the search after Nell's death that all the pieces of the puzzle are assembled. At Cliff Cottage, on the grounds of Blackhurst Manor, Cassandra discovers the forgotten garden of the book's title and is able to unlock the secrets of the beautiful book of fairy tales.

This is a novel of outer and inner journeys and an homage to the power of storytelling. *The Forgotten Garden* is filled with unforgettable characters who weave their way through its spellbinding plot to astounding effect.

Morton's novels are #1 bestsellers in England and Australia and are published in more than twenty languages. Her first novel, *The House at Riverton*, was a *New York Times* bestseller.

The author makes some research prior to write this book. This book very easy to read you may get the point easily after reading this article book.

Frederick Cagle:

Many people spending their time by playing outside with friends, fun activity using family or just watching TV the entire day. You can have new activity to spend your whole day by reading through a book. Ugh, do you think reading a book really can hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Cell phone. Like *The Forgotten Garden: A Novel* which is having the e-book version. So , why not try out this book? Let's find.

Lisa Madruga:

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this *The Forgotten Garden: A Novel* can make you really feel more interested to read.
