This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1871 edition. Excerpt: ... part I. the modern buddhist; being the views of A siamese minister of state on his own and other religions. the modern buddhist. Of the three hundred and sixty-five millions of men, the third of the human race who, according to a common estimate, profess in some form the religion of Buddha, the four million inhabitants of Siam are excelled by none in the sincerity of their belief and the liberality with which they support their religion. No other Buddhist country, of similar extent, can show so many splendid temples and monasteries. In Bangkok alone there are more than a hundred monasteries, and, it is said, ten thousand monks and novices. More than this, every male Siamese, some time during his life, and generally in the prime of it, takes orders as a monk, and retires for some months or years to practise abstinence and meditation in a monastery. The principal works on Buddhism in our language are uninviting to the general reader. The most able translators have not been able to render the Buddhist classics anything but tedious to read, and it is seldom that the great authorities go beyond the classics. Such pleasing and instructive discourses as Max Midler's late lecture on Buddhistic Nihilism are rare indeed, and the most familiar accounts of Buddhism depict it surrounded by, and almost buried in, the mass A of superstitions which have been from time to time connected with it. Such treatment is no more fair than it would be fai
